

*2017-2018 Turning the Corner Campaign Donors**

**as of 9/30/2018*

The Corner was faced with a sudden loss of income last year due to the change of an insurance reimbursement source.

You stepped in and saved the day! Your gift to the Turning the Corner Campaign in 2017-2018 helped fill this gap in funding as we adjusted to this change, and assured our teens and young adults continued to get the quality care they've come to expect.

Thank you for supporting the Turning the Corner Campaign in 2017-2018!
