

New!

Parent-Child Play Group Starting January, 2020

Are you a parent under the age of 25 and have a child 0 to 5?

Are you interested in:

- Connecting with other parents
- Learning play activities to help your child learn and grow
- Learning new and innovative ways to manage parent stress

If so, we invite you to participate in the playgroup and research evaluation.

Important Info:

- Play groups are weekly for 1.5 hours for 8 weeks
- The research evaluation will take place during a portion of the first and last group

Parents will receive:

- \$100 in gift cards, children books and play materials, snacks and transportation

Interested or have questions? Please call or text Jennifer Farley@734-718-4261
